### **Important Information about Easter courses.**

**Please read these notes.**

- 1) We organise courses upon demand and we require a minimum number of students at the same level to start a course.**
- 2) Attendance. Once you have registered and paid for a course, you are expected to attend the sessions. If for any reason you miss one or several of the lessons, they cannot be refunded.**
- 3) Payment. All fees for the courses you register for are to be paid in advance of the course or at least on the first day of the course. Unfortunately, we cannot accept credit card payments. You can pay in cash, by bank transfer or Bancontact at the school.**
- 4) The fee for Easter intensive courses depends on the number of students participating in the group. These fees are clearly mentioned in the brochure and on our site.**
