CAR / PARKING

We are easily reached from all parts of Brussels. Leave Avenue de Tervueren at Square Léopold II (noticeable for the Art Deco Palais Stoclet and the monument in the middle of the road.)

On street parking is available on the side roads of Tervueren especially opposite the school. All parking in the area is metered.

Residents parking permits for Woluwe-St-Pierre (1150 postcodes) are valid for the streets around the school; but check when you park.

In the immediate area around Avenue de Gribaumont and nearby streets, there are several shops, restaurants, and a gym.
